Mike,

As per the agreement we reached at your facility. I have delivered 2 boxes of assorted "Blue prints" and one thumb drive of assorted CAD/CAM files. KE Arms has agreed to compensate me for them with \$1000.00 cash and \$9000.00 in credit on KE Arms products (at dealer price). I will do my best to answer any future questions related to those files as well as any advice on plastics related projects.

Thank You,

Shawn M. Nealon
